Review of Architectural Submittals:

1. **Lot 87, Fallstead - Paint home using Scheme #16, body SW #7031, Mega Greige; trim SW #7514 Foothill; Front Door SW #6013, Bitter Chocolate; Security Door, SW #6013 Bitter Chocolate.** Standard Paint stipulations apply.

2. **Lot 25, Dingley - Additional discussion regarding patio cover.** After further discussion it was decided that the best course of action would be for the homeowner to apply for approval for the color of the patio cover that he has installed. The homeowner received approval to construct the patio cover using "Adobe" as the color of the Alumawood, however he used the color "Spanish Brown" instead.
